Warning strike on 17.02.2023 of our employees in public services

Dear parents,

the „United Services Union“ (Ver.di) and „Education and Science Workers‘ Union“ (GEW) called all employees in public services to lay down work on 17.02.2023. The warning strike will last all day. All employees of the City of Leipzig are asked to lay down work.

Employees of the after school care of your child will also lay down their work. Therefore our after school care will be closed on that day (17.02.2023). You are asked to organize some alternative care for your child. Please be so kind and fill out the lower section of this letter and give it back to your after school care on 16.02.2023.

Best regards
on behalf

Triandafillidu

Head of Department after school care
